Design & Testing

Our Services

ESTABLISHED 2008

**Google's No. 1 compliance
company in the UK, as
voted by you.**

Building Compliance Design & Testing

ATSPACE provides uncomplicated compliance, from design through to completion, for developers, contractors and industry professionals. Our same-day response and one point of contact throughout guarantees FAST Building Regulation sign-off.

We've got you covered. With our network of engineers across England & Wales.

Our promise to you

48-hour lead time emergency booking service.

Guaranteed next-day certification.

Diagnostic report to assist with FAST remediation.

Multi-skilled compliance engineers.

Giving you maximum value with minimal
environmental impact.

Most competitive price on the market.

Surveying 90 compliance companies every 6 months to keep
ahead of the competition—without service compromise.
